RON ZACAPA EXPERIENCE £8.95

Ron Zacapa 23yr old is a rum made in Guatemala, Central America. For many years it was made as a speciality item for the owners of the company. It has been critically acclaimed as the best rum in the world for many years now. At the International Rum Tasting Competition alone it has won first place in the super premium category in 1998, 1999, 2000, 2001. It has since been retired from the competition due to its incredible dominance. It also boasts the highest ever score at the Chicago Beverage Tasting Institute with a 98/100 rating.

We have taken this fantastic rum and matched it with a hot espresso and some home-made chocolate and orange fudge. This trinity of flavours combine and complement each other so well, we would like to recommend this wonderful after dinner indulgence . . .
